INTERFLOOR NEWS 6 LAUNCHED

The latest edition of Interfloor News, issue 6, has been launched. Mailed to over 6,000 retailers, contractors and wholesalers it has a global readership from the UK to the Far East.

Interfloor News 6 features the new Interfloor accessories catalogue, highlights the growth in the gripper, adhesives and wood & laminate underlay range; and showcases Interfloor's growing export business in the Middle East and Europe – which has led to the Company picking up a prestigious award for its export success.

The newsletter also features new in-store point of sale for crumb rubber underlay, two more major contract installations for Marriott and the Highbury stadium development; and presents the new, environmentally friendly, range of Stikatak tub adhesives.

All this, and the chance to win a superb Samsung HD Ready LCD TV!

To get your copy of Interfloor News just contact your Interfloor account manager or call the sales office on (01706) 238810.
